Government decreased its investments into productive branches of the economy. It provided only small investments into agriculture and it would further decrease them in future.

Slezevicius emphasised that stable foreign and domestic policy, good relations with neighbouring countries and orientation to the Euroepan Union and NATO also made Lithuania more attractive for foreign investors.

The total sum of the credits received with the guarantees provided by Government at present exceeded $ 880 million.

In the afternoon investment projects of transportation, enviromental protection, energy system, communications and health care were discussed in groups.

<B>KALININGRAD SUPPORTED CLOSER RELATIONS WITH LITHUANIA<D>

VILNIUS, May 4, ELTA - Yurij Matochkin, Head of the Administration of the Kaliningrad region, said that economic cooperation between Lithuania and the region should be extended in near future.

Matochkin participates in the events held by the Parliamentary Assembly of the Council of Europe in Lithuania.

During his visit to Vilnius Matochkin met with Prime Minister Adolfas Slezevicius.

During the meeting both officials discussed border delimitation between Lithuania and Russia.

"This process sould be promoted as it was dragged out because of purely technical reasons", Matochkin said.

A number of other issues were also discussed at the meeting, the issue of the enviromental proetction in the Nerija spit among them.

Matochkin gave Slezevicius a project of cooperation for 1995-98 drafted by a group of scientists and specialists.

According to him, the cooperation should be promoted by such new institutions as the Lithuanian-Russian border coordination council, Lituanian-Russian bank, joint investment and insurance companies and a joint business centre.
